

The Warfold Furniture Collection

The Warfold Furniture Collection

The Warfold collection is a new & distinguished range of furniture which has been specially selected and tailored for Cadence Interiors to create a warm, modern classic interior.

Crafted from solid rubber wood, the Warfold Collection boasts elegant curves and clean lines in a warm cappuccino wood tone.

All the products are produced by ISO 9001 accredited factories assuring you of the best quality and durability – not to mention design.

Furthermore you will be able to select your own upholstery colours or upgrade to leather as well as add a comprehensive kitchen, dining & household inventory.

In this brochure we will introduce you to the ranges and other features before presenting you with some typical apartment layouts and inventories.

We hope that you enjoy looking through this collection and invite you to contact our team for further information.

Bedroom furniture

Studios:

For studio apartments, where possible we have recommended a double or twin bed layout.

Otherwise, and especially in more compact properties, a sofa bed option maximises the versatility of space.

One Bed Apartments:

These are illustrated with double beds in the bedroom.

This can easily be switched for two single beds should you prefer. Where space allows we have always included a wardrobe, chest of draws and mirror.

Two Bed Apartments:

For two bed apartments, where possible we have illustrated a double master bedroom and a twin second/guest bedroom.

The living room layouts are consistent with the inventory and 1 bed properties.
